Problem Solving |Teamwork | Time Management |Adaptability

Aditya Kumar
Software Developer

PROFESSIONAL SUMMARY

Motivated Computer Science graduate with expertise in Java, Python, JavaScript, and React.js. Skilled in frontend development, problem-solving, and version control using GitHub. Strong foundation in software development with a passion for building efficient and user-friendly applications. Dedicated to continuous learning and adapting to evolving technologies.

EXPERIENCE/ INTERNSHIP

HELP PEOPLE TO SAVE PEOPLE TRUST (NGO)

Internship   **Jan 2023 - Jan 2024**

- Worked on frontend development, creating an image slider and developing interactive forms for the organization's website.
- Utilized HTML5, CSS3, and JavaScript to build user-friendly UI components.
- Handled documentation and presentation tasks using Microsoft Word, Excel, and PowerPoint.
- Contributed to design-related work, supporting the NGO's outreach and awareness campaigns.

PROJECT

1. **Notes Saver React App**   ⊕ | ◉

   HTML5 | CSS3 | Javascript | TailwindCSS | ReactJS | Redux

- Created a Notes Saver web app using React where users can add, edit, delete, and search notes.
- Used local storage so that notes stay saved even after closing the browser.
- Designed a clean and responsive layout that works well on both mobile and desktop.
- Used React Hooks like useState and useEffect to manage app data and behavior.
- Deployed the app on Vercel for easy access and fast loading online.

2. **Sarkari Yojana Website** ◉   Nov 2023 - Nov 2024

   HTML5 | CSS3 | Javascript | Bootstrap| PHP | Mysql

- Made a website using HTML, CSS, JavaScript, and PHP to show information about different government schemes.
- Added step-by-step instructions to help users understand how to apply for each scheme.
- Gave direct links to official websites and shared latest notifications and updates.
- Created a Contact Us form that saved messages into a Hostinger MySQL database.
- Designed the site to work well on both mobile and desktop, with a simple and clean layout.

CERTIFICATION

National Institute of Electronics and Information Technology

- O level   Nov 2024
- Course on computer concept (CCC)   Dec 2022
